Gandaki Province, Nepal

Date: 23 November 2025

To

The Chairperson,
Namaste Gumda Organization Switzerland.

Subject: Request for Project Support.

In reference to the above subject, after the devastating earthquake of 2015 (2072 B.S.), the building of **Kerauja Health Post** located in **Kerauja, Ward No. 2 of Dharche Rural Municipality, Gorkha District**, was completely destroyed. As an immediate solution, a four-room prefabricated building was constructed by the non-governmental organization PHASE Nepal, through which health services have been provided to approximately **3,200 beneficiaries from 777 households** within this ward. However, as this prefabricated building is deteriorating day by day, we earnestly request your support, along with the recommendation of this Ward Office, to construct a permanent building for the health post.

Saroj Gurung
Ward Chairman
